Line values are cases × rate, so they can differ from the invoice by a few paise of rounding.

Compared with the order sheet (₹6,99,855)

The cases match the order sheet line for line (1,636). The tax invoices are **₹8,460 cheaper**:

- **400 ml PET** (Mirinda, 7UP Zero, Pepsi, Pepsi Black, Mountain Dew; 127 cases): ₹489 a case instead of ₹499, saving ₹1,270.
- **Sting 250 ml** (719 cases): ₹483 a case instead of ₹493, saving ₹7,190.
- Every other line is at the same rate as the order sheet.

Damage noted on delivery

- Invoice 3319 delivery note: **"Water bottle 1 litre damage"** (Aquafina 1 L). Quantity not written.
- Invoice 3316 delivery note: **"M Orange 2.25 order damage received"** (Mirinda 2.25 L). Quantity not written.

Count the damaged cases and claim them from Varun Beverages. They are not deducted in this sheet.

Business at this margin

Monthly expenses ₹1,70,000. After ~₹2 per case for loading and cash discount, about **₹36.4 per case** goes toward expenses.

Cases a month	Profit a month
~4,673	**₹0 (break-even)**
8,000	~₹1,21,042
10,000	~₹1,93,802
15,000	~₹3,75,703
18,700	~₹5,10,310

Notes

- Sting 250 ml is 44% of this purchase. At ₹483 its margin is ₹42 a case, so it now helps the average.
- Sell prices are rate-sheet trade prices. Where shops pay a scheme price, margin drops by the scheme amount.
