K.D. Foods — Margin on Pepsi invoice of 3 Nov 2026

Supplier: Fortifit Nutrition Private Limited **Cases:** 1,150 **Invoice value:** ₹4,64,940

How to read: Buy = order value ÷ cases. Sell = trade price on the Pepsi rate sheet (Kesar Badam: ₹539, buy + ₹41 like other Creambell milk). Min (off-season) = buy + ₹19, the lowest price that covers expenses. Floor = buy + ₹2, below this every case loses money.
